Stories of Dancing Halls (舞場秘密史).

Pages 57-60

Ha Ha Sien Sung (好先生) and Wei Eur Sung (莞生), two men, went together to a dance hall. It was Ha Ha Sien Sung's first visit to such a place.

Wei Eur Sung told him that dancing would start immediately the music begins.

Ha Ha Sien Sung saw many couples of men and women embrace, walk to the hall and move about. These girls were so attractive that men were fascinated.

Upon returning home, Wei Eur Sung asked Ha Ha Sien Sung why he had left in such a hurry.

Ha Ha Sien Sung replied that he thought that all the men and women in the hall, who were dancing and embracing each other, were doing "that thing" (meaning sexual intercourse) while standing.

Later he asked other people whether the men and women in the hall were engaged in acts of lesbianism.

SECRET METHOD OF ENLARGING A PENIS.

If a man desires to enlarge his penis,
he must get up between the hours of "Ts" (子) and
"Wu" (午) and sit upright in a quiet room. He
must be slightly hungry so that he can breathe more
freely. He must hold his penis and rub it with
both hands until it is fiery hot. Holding the
scrotum and his penis with his left hand, he must
rub his abdomen with his right hand 81 times and
another 81 times with his left hand, after which
he must repeatedly strike his right and left thighs.
If this method is observed continuously, the penis
will become larger.

Lawyer Sun (孫) who frequented brothels at nights became acquainted with a sing song girl named Miao Vee Lou Pah (妙味老八). He gave entertainments at the girl's place every day. Nevertheless, he could not attain his desire.

One day lawyer Sun reflected that although he had wasted a large sum of money on the girl, yet he had not succeeded. He then booked a room in the Tung Fang Hotel (東方旅館) and sent a chit to the girl asking her to call at his room.

The sing song girl came. Lawyer Sun embraced her and said, "You cannot go away to-day and must stay here and sleep with me for the night. If you agree to sleep with me for the night, this will be yours."

He showed the girl a diamond ring.

The girl examined the ring. It was worth more than a thousand dollars.

She said, "Speaking frankly, you are the only patron who has shown me so much affection and favour. How can I reject any demand that you may put to me?"

The man then placed the diamond ring on one of the girl's fingers.

"Don't be in such a hurry" said the girl.

"Are you trying to reject my request?" asked the man.

The girl replied that she was under "special martial law" and that "a red headed Ah San" was guarding her "important pass". (This means that the girl was having her menses.)
